

**Example** (2 mistakes)

I hurt my ankle when I was playing **baseball**. The doctor told me to **sleep** and then I will feel better.

1

**(3 mistakes)** Last night, my wife and I went shopping at the department store for Christmas gifts. I bought a toy truck for my son and a pretty doll for my daughter. After that we went to a market for dinner.

2

**(2 mistakes)** Let me tell you about my trip. I stayed one week on the most beautiful island. The weather was great, the hotel was nice, and the people were friendly, too. It was the best holiday I have ever had.

3

**(2 mistakes)** Last weekend, when I was jogging in the park, I met this funny man. I asked him to join me and we ran around the lake for two hours. It was really wonderful. I hope I can meet him again soon.

**Example** (2 mistakes)

The ~~large~~ refrigerator is filled with fruit

1

**(2 mistakes)** Hi, my name is Natasha. I just got out of the hospital. I was climbing a tree near my house. I saw a spider and I fell out of the tree. I broke my ankle. The doctor had to fix two of my bones. He gave me some medicine and said that I had to take it three times a day.

2

**(3 mistakes)** I'm Gabriel. I work on my grandfather's farm during the summer. He makes honey. He has special houses for his bees to live in. They drink flower juice from my grandmother's garden. My grandfather uses music to put the bees to sleep. Then he takes their honey. We sell some of the honey at the market. The rest we use for cooking.

3

**(2 mistakes)** My name is Zach. I'm learning to play the piano, but I can't find a good place to practice. My mom won't let me practice at home because of all the noise. My friend told me that I should take lessons from a music teacher, but every time I start to play they say that I should play something else. Maybe I should try the drums next.
